Flashing For
Trouble

Glee Club trips can get pretty wild! We were staying in this big hotel by the freeway and me and B.J. were sharing a room even though everyone knows she's a bad influence. Well, there wasn't even a mall for us to hang out, so what were we supposed to do? Flashing the people driving by on the freeway was B.J.'s idea. She said it would freak them out and be totally better than watching TV. But instead of getting out on the little terrace herself and flashing people, B.J. made me do it! I let her butter me up first, of course.

She told me I'm cute because I'm so slim, and I've got long legs and perky little boobies. Basically, she's giving me props on all the stuff that makes me feel like a total dork! So, out I go onto that terrace, freezing cold in just my knee-hi's and undies. Well, flashing people you don't know is fun. I'd wave and yell and pull up my undershirt and pretend I was feeling up my own little titties. You should've seen it! Some guys swerved and nearly crashed. It was totally awesome!

I promised him no, that we were just trying to have fun. Compared to B.J., me letting this other guy feel me up is nothing, but then he wanted more. He said I should take my panties off "because they're all wet anyway." And when B.J. and the other guy got on the bed and actually started doing it, I couldn't figure out a good excuse not to. Everyone laughed when I said it was my first time, and I told him to be gentle, but I don't think he heard me. I'm never doing what B.J. says again. I swear!

Then the trouble started. The two guys driving a sports car saw me while I was pulling down my undies and waving my butt, and they pulled off the highway and drove into the hotel parking lot. I ran back into the room and grabbed B.J. I'm shivering all over, and we were hugging each other, saying "They'll never find the room. They'll never find the room." But then, there's a knock and these two big guys walked in. They're both looking at me 'cuz I'm still in my knee socks and panties. They looked like they worked construction and they smelled like beer and weren't shaved. The one in the red sweatshirt said, "What's the deal? You trying to get me and my buddy killed or something?"

They're practically having sex on the hotel couch! He sat down on the bed and said it was okay, because he and his buddy like to have fun too, and now we were all going to have fun together. I was so glad they weren't going to call the police or tell the hotel manager! So, when he patted the bed and told me to sit down next to him, I didn't see anything wrong with it. We started with just making out, and it was cool because he was older and more experienced. Then, he put his hand on my undershirt and I pushed it away. He laughed and said, "C'mon. Looks like your friend doesn't mind." I looked over at B.J. and this other big guy, and they both already have their shirts off.

“Is That All
You Want?”

I finally met a guy who's mature and seemed interested in me, but all he wanted from me was my underwear. Mr. Swensen moved to our town after he got divorced and lost his job. He has this totally soulful look on his face that made me want to be very caring with him. He used to come to the coffee shop where I'm working part-time. He'd sit there all afternoon and sort of read the newspaper and look out the window. One day, I went up to him and said, "God never closes a door without opening a window." Which is something I tell myself when I'm sad. Anyway, I thought it might help him. He looked at me and said thanks. It was like we bonded. I sat and talked with him until Marty, my boss, got angry and told me to bus some dishes. Mr. Swensen whisper-asked me to come by his house later so we could talk some more. I got butterflies in my stomach when I agreed.

I guess Mr. Swensen doesn't have a lot of money because he lives in this gross motel that rents rooms by the month. I double-locked my bicycle. He said he was sorry he didn't live somewhere nicer, but he was doing his best to make me feel at home, and it was so cute. We had some conversation and then he asked me how old I was because I seemed terribly mature for my age. When I told him I was 19, he put his head in his hands and started crying. He said "That's how old my Tiffany is. And I'll never see her again. Not if my wife can help it."

I stood up and put my hand on his shoulder to comfort him. He looked up suddenly and his head went under my skirt by

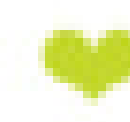

accident. He turned all red and said he was sorry like a million times. He said that I wore the same kind of thong panties his daughter wears and would I mind if he took another look 'cause it reminded him of her. It didn't seem like such a lot to ask. Of course, after that, Mr. Swensen said he wanted to see my bra. I guess I was in a very loving mood, because when Mr. Swensen started rubbing my bra, I kissed him on the mouth. He said I was so pretty and such a nice girl, and he sounded so sad I wanted to cry.

He picked me up and rocked me in his arms and it made me miss my own daddy so much. Then, we were suddenly on the bed and he took my bra off. He said I had beautiful little titties. I was going to take my panties off so he could see me down there too, but he said no, leave them on. He told me that if I wanted to make him happy then I should just give him these little peeks, like standing on my head and with my legs in the air. It was pretty strange, but I wanted to make him happy. He had his hands down his pants and I was so curious about what he was doing there. He said it was a violation to go any further and that I'd better go, but I knew it wouldn't be a violation, because in my heart, I had made up my mind to let him. Before I left, he asked for my panties. Riding the bike home with no panties on made me have an orgasm even though I didn't mean to.

Shorn For Sex

Okay—I'll admit it. I am a bit of a narcissist. I can't help it if I'm totally hot! :))

For as long as I can remember, I've liked watching myself in the mirror. I mean, girl's bodies are sexy, aren't they? Well, mine had been getting rounder and curvier every year, and now that I'd reached 18, I was in full bloom! I just like the female form in general, which might explain my love of porn. Is there anything sexier than watching all those totally hot and gorgeous girls with their plump and sexy bodies? And how about the shaved pussy thing? Yeah—I was totally into that from the minute I peeped it, and wanted to see how it would look on my pretty young self!

One day after classes, I went to my room. No one was home and I was feeling particularly horny. I grabbed my full-length dressing mirror and propped it up in front of my bed. Yeah—this was gonna be hot!

I got my dad's super expensive razor and some shaving cream, and then lit a few candles.

I wanted to get into the mood! I pulled my sweats off and sat on the floor facing the mirror with my legs spread apart. I watched myself in the glass as I rubbed my cunt lightly though the material of my silky black panties. I was getting SO horny! I scootched out of my panties and sat for a minute looking at my snatch in the mirror. It was visibly wet, and it looked awesome. I had to resist the urge to bring myself off right then and there. Hey, I had come here with a purpose...I didn't want to get distracted! I sprayed the white foam in my hand and spread it all around my crotch, covering the curly blonde pubes until there were no more visible. Then I slowly began to shave it off. The feeling of the cool blade passing so close to my snatch was really titillating. I kept going until I had shaved myself fully—even that part below my cunt by my asshole. I wiped myself off with a towel and just looked at my freshly denuded self in the mirror. Now I was ready for the beach.

My pussy looked awesome.

I had never seen it that way, the lips all swollen and full. I slowly traced my fingers over my swollen slit, and it was wet and slippery. Then, I did that thing that the chicks do in the porno films. I slapped my cunt hard with my open hand. Now that I was shaved, AND wet, it made that unmistakable sound you always hear. That dull thwack of a hand hitting a drenched pussy. HOT!!! I was transfixed by the sight and kept doing it, watching myself intently until, out of the fucking blue, I felt my body tighten and I brought myself to the most mind-blowing O ever!!!

Holy shit! Did I mention that I'm kinda hot?

Well, actually, it turned out to be the best, because Mr. Spicoli was so sweet!

He let me borrow his toothbrush, and I said sorry about using it because I knew it wasn't sanitary. Then he said, "Neither is this..." and kissed me! I just about died from feeling the warmth + excitement + newness.

Then he led me by the hand back out to the living room and said, "Jessie, take off your dress, please."

It was like in a dream, because it meant he was serious about me. So, I got naked to my underwear, and then he goes, "Panties too." So I did that, and then the bra, and then he's like, "On the floor." I did it. Then, he opened his pants and showed me his penis. This was my first, so I was practically going bug-eyed because I was staring at it so hard. Then he asked if I wanted him to put it in my mouth. Honestly, it all seemed really fast, you know? But I pretended to want it because I figured that was more mature seeming.

I wrote "Mrs. Jessie Spicoli" about nine thousand times on this one piece of paper because Mr. Spicoli, our Spanish teacher, is the most beautiful man in the entire world! Then I sprayed it with my perfume that smells like strawberries and stuck it in his box at the student center. I'm not saying I wasn't scared, but I think, if love is going to find a way, you have to be real with your feelings! The next day in class, Mr. Spicoli handed my note back without saying a word. I almost started crying out of nervousness and disappointment because it obviously meant he didn't like me. Then I opened it and he'd written "Tonight - 8:30" with his address on it. I was so freaking out!

A full-page photograph of a young woman with brown hair and bangs, smiling at the camera. She is posing in a bedroom, with her arms raised and holding a red fabric strip behind her head. She is wearing blue and red patterned underwear. The background shows a white wall and a black metal bed frame.

When I got to his house, Mr. Spicoli let me in and I saw that he'd made up a little party.

There was wine (choice of red and white) that I couldn't drink because I'm in S.O.D. – Students Opposed to Drinking, and there was fancy cheese (not sliced), and caviar, which is really just fish eggs. Take my advice and don't ever eat that, because I did and I got so sick I threw up! It was probably the most embarrassed I've ever been, and just to make it perfect, my retainer fell out while I was hurling in his toilet, and now my parents have to buy me a new one! So I'll bet you'd say that was the 100% worst night in the world, right?

I let him put it in my mouth while he hugged my head and moved it in and out.

It was sort of bogus because of the penis = pee aspect, but it was also romantic too because it was about being close and trusting. (Truth: the taste was a negative.) Then he kept making it go in and out till my mouth was getting crampy, and he grunted, "Uh!" like maybe it hurt really bad. I asked was I doing it wrong, and he was like, "No, it's perfect!" which was really confidence building for me.

Then, he got on top of me and that's when I knew he wanted to do The Deed. So, he licked me on my vajay-jay for a minute and then he made his thing go in. We were real careful, but it still stung, like, unbelievably bad! I was all, "Oh, God!" and moaning from the pain-factor, and then he goes, "You're so beautiful!" and it was the most perfectly gorgeous moment because you totally could tell he meant it. That's when I knew all those songs are true because love will always find a way! Then, he pulled out and shot his custard on my face.

I just recently learned that those are four of the sexiest letters in the alphabet. I'd always considered myself basically straight. I mean, I LOVE cock! But chicks are sexy too. Maybe it's just that, at eighteen, my hormones are a bit in overdrive. Sometimes I think I'm capable of fucking anything! (I can't believe I just wrote that, it sounds so slutty!). Suffice to say though that I love sex.

Still, it took me by surprise when the trainer who works at my gym caught my eye. Her name was Lana and she must have been like 25! Still, I wasn't the only one watching her. I had noticed that guys couldn't take their fucking eyes off of her. They'd walk by her over and over again, just to get a glimpse. Guys are so transparent! It WAS difficult not to stare, she had this fucking killer body, thick and luscious, with curves in all the right places. Maybe it was the hours spent on those machines, or maybe just genes. I think she was Puerto Rican, and you know those Latinas have ass for days!!

One day, I was at the gym late. It was a Friday on a holiday weekend and the place was basically deserted. I had a private training session scheduled, and was secretly hoping that Lana would be my instructor. It turned out to be my lucky day. The hour workout was like fucking foreplay.

Lana's hands were all over me, and her curves were in my face.

It was driving me mad. And boy oh boy, was she awfully touchy, or was it my imagination?

To make a long, delicious story short, the session ended and I got on my bike and left. I was alone basking in the afterglow of that heady session when I noticed Lana had followed me. I guess she had had a lot of experience reading signals, and wasted no time. She stood right in front of me and started undressing herself. Those curves looked even better naked. She brought her mouth to mine and, as she slipped her tongue into my mouth, her hand gently parted my thighs and found its way to my now slippery pussy. Her kisses tasted amazing, her mouth sweet and musky at the same time. Her tongue explored my mouth as she slowly and artfully fingerfucked me to a serious and intense orgasm. We never exchanged a word. Lana smiled, then she turned and rode away, leaving me wet, but satisfied for the moment. I SO want more!

The second I got picked for the softball team I felt totally different.

Now, all I ever do is practice all day, and that's my whole life. Even when I'm not officially practicing, I love to hook my legs around the support bar for the backstop and hang from it upside down. If I swing just right I get this feeling where my panties under my uniform is itching me in the most perfect way. I let my arm hang down and close my eyes so there's only a little light coming in, and then I swing and swing until it's like I'm melting. It's so perfect I can't resist it!

This sort of has to do with Coach Bato, because lately he's showing me stuff where I get those same feelings but bigger. This started right after we won against Rittman, and Coach Bato and I were having a "private talk." He said he was really proud of me, and that he never had a student with greater focus and commitment. I said how I owed it all to him because he had such a guiding hand, and that really is totally true. Then, he said he didn't mean to show favorites, but I was definitely the student he felt most special about. I admitted I felt the same way about him, except probably even more so. He asked did that mean maybe inappropriate thoughts sometimes! Then, even though it killed me with embarrassment, I admitted, 'yes.'

He didn't say another word, and just bent down and kissed me. My heart probably grew two sizes bigger just from that! He hugged me real close and I'm not sure who did it first, but pretty soon, we were hugging so much our fingers were touching the bad spots—as if they knew to go there naturally! I had my hand on Coach Bato's thing, and he was holding it down to make it go harder and harder. Then he reached in, pulled it all the way out of his pants, and made me grip my hand around it.

It was definitely bigger than what I was expecting.

Just my pulling on it was making him so excited. Then, Coach Bato told me to show him my thing. I felt only half and half, because of the inappropriateness, but he raised his voice like he does when he wants you to try a vault or something you're scared of. So, I went ahead and pulled my leotard back and showed him. He brought his face up real close, and then he kissed it! It made me jump because there was even tongue! He was squeezing my butt so I wouldn't squirm away. Tongue touching is so wet and soft that you can't help feeling melted. I got so excited it was like energy waves going wa-wa-wah!

Coach Bato said I had to make a split,

but not a formal one because this time he wanted to get on top of me and put his thing inside. I'm really little (4'10") so his thing felt humongous! Seriously! It made this incredible full feeling in my belly.

Coach Bato is super good at helping you get into stretches you couldn't do at first. He just kept working it and working it, until it fit almost all the way inside! Then he started getting so excited that he had to take it out. In the meantime, he said to me to do a headstand. It was weird, but I did it, and then he grabbed me around the thighs and bent me around and put it inside again! Can I just say? It was the most awesome sensation, because it was like hanging off the backstop and swaying, but like a hundred million billion times better! It was like the clenching and squeezing in my belly got so bad, it was feeling ocean waves. Coach Bato said it was orgasms, and he said that now we'll practice having them all the time until I get really good at it!

College interviews are so stressful!

Because having good SAT's and a high G.P.A. aren't enough, personality is super important, and the problem is, I sort of go spaz when I have to talk to people. This was for my first choice school, not my safety, so I definitely wanted my step-dad, Peter, to take me. He always knows how to make me feel relaxed when I'm suffering brain freeze or whatever. Anyway, this was, like, a two-day drive, and Peter said he wanted to pack it in early because of migraines. Peter was laying on the bed in the motel room with a cold towel, going like, "Waughhh." It was so sad, so I go, "Can I help?" I put his head in my lap and was rubbing my fingers on his temples like my mom does. He was looking up at me really serious, and then he's like, "Jen, you've grown into such a lovely young lady," and I'm like, "Cut it out." And he's like, "You're so studious and mature. I'm very proud of you, but sometimes I worry too." I'm like, "Why"

And he's like, "Because sometimes you're too serious. You're always spending time working on the girl upstairs," and he pointed to my head, "But you hardly spend any time with the girl downstairs," and he pointed to my tummy. Something in my gut started freezing because I sensed he was right. "What should I do?" I asked.

"Cut loose more, have fun" "You're talking about boys again," I said, "But I already told you that boys don't like me!"

"I like you and I'm a boy," he said.

"It's not the same," I said. Then he's like "How's it different?" And I go, "We can't kiss and stuff." Then he said, "How come?" He was already sitting up and looking me right in the eye, and even though it sounds like he was teasing, if you looked at his eyes, you could tell he totally wasn't.

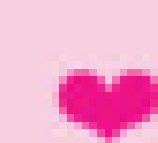

Then, he put his hand on my thigh, and it was like electricity!

I thought, "This isn't really going to happen, is it?" But then it totally was, because he leaned down and kissed me! It was so romantic! It was like a thing you're been wishing for your whole life suddenly happening, even though you never admitted to yourself that you wanted it! Peter put his arms around me and I totally surrendered into his embrace. And I knew, somehow I just knew, that it couldn't be wrong, because if it was wrong, how could I feel so good? Then Peter put this hand under my skirt and slid it over my thigh. Then he touched under my panties and that felt even better! I just laid back and gave in. Peter took off all my clothes, piece by piece. Then he got naked too. His penis was all sticking up and he explained that it showed how much he liked me. Then he got on top of me, and I knew now this was going to be IT...this was when I was going to lose my virginity forever. I was still half thinking maybe I shouldn't, but I was scared to disappoint Peter. Then, before I could say anything, he was already pushing it in! He only slid in a few inches, but just that was so hot and cramming, I was having trouble not crying. Then, Peter kept moving it back and forth 'til it was going practically all the way in.

He started moving it in and out super fast! He was grunting so mean and angry that I was totally getting scared. Then he goes, "Oh, God, I've wanted to do this for years!" Then he started pounding into me so hard my head was hitting against the headboard. He yelled, "FUCK!" really loud just as it suddenly got totally squishy inside. He was squirting his stuff up me! Then Peter kept making more swears like "goddamnit" and "cunt" as he drained it all out. Then, with a groan, he rolled off me and went right to sleep.

And you know what? The next day I was so mixed up about what happened, I totally blew the college entry interview anyway.

Blondes
Have More
Fuck!

A blonde woman with long hair is smiling and looking back over her shoulder. She is wearing a white tank top and bright green shorts. She is standing on a wooden deck, leaning her right hand against a white pillar. In the background, there is a swimming pool, a lounge chair, and some greenery.

Is it really true what they say?

I have no way of knowing. I was born blonde. My hair has been blonde for all of my 19 years. So who am I to say that blondes are the sexiest girls on the planet? But that's what my boyfriend Victor insisted, each and every time he slipped his glorious prick inside me. Why argue? He was 17 years my senior, and had certainly had his share of pussy. If I could show you a glimpse of my older lover, you'd know why. HOT! Maybe it was because he was from Italy, where blondes are a relative rarity, but this dude was seriously stoked for my hot young body.

He was cute to listen to. When he'd get horny, he'd become all emphatic and animated, and say the most random things. Victor even claimed that I SMELLED better than other girls. He had this weird obsession with my breath. He claimed that blonde girls have a certain erotic aroma to their mouths. At first, it struck me as a bit freaky, the way he made me breathe on him while we were making love, but I got over it real quick when I discovered how hard it made him. There's nothing like the feeling of a seriously big and super hard cock pounding away inside of you!

A blonde woman with long hair is posing nude on a wooden deck next to a swimming pool. She is leaning forward, holding a bright green towel with her right hand, and looking down with a smile. The background features a lush green lawn, trees, and a white lounge chair near the pool. The scene is brightly lit, suggesting a sunny day.

It all came to a climax (no pun intended) one day when Victor came over to my place for an unexpected visit. He gave me his usual kiss when he came in, and when I saw the wild look in his eye, I knew I was in for a good fucking. “Fuck—your mouth smells amazing today,” he said, as his eyes consumed me.

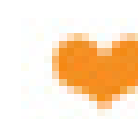

I decided to surrender.

I was in the mood to be ravaged. He pulled his and my clothes off like a wild animal, and then plopped onto the couch naked. He pulled me on top of him and lowered my already drenched pussy onto his seriously fat and rigid cock. It felt amazing as his dick filled me deeply.

He began to devour my mouth, and I decided to give him what I knew he wanted. As I rode him, I began to breathe deeply into his face. I felt his cock get even bigger immediately. "Jesus, your mouth smells sexy," he moaned. I felt his entire body tighten and tense as he began to unload deep into my belly. The feeling of him cumming sent me over the fucking edge. My pussy clamped down on his uncut Italian prong as I orgasmed for what seemed like an eternity.

I gave his face a nice lick, and he sat there looking like the happiest guy alive.

It's good to be me.

"Just Keepin' It Wet."

My BFF and I have always been real tight.

We even look alike. If it weren't for the fact that she's three years older we could practically be twins! And we share everything. Even so, it might strike some of you as strange that we've been fucking the same guy for the last six months. Hey, it's cool with us, and trust me, he isn't complaining! At 30, he's eight years older than she is, but twelve years older than me! Still, he's seriously hot, so it came as a bit of a blow to my ego when my girl pulled me aside one day and gave me a little heart-to-heart. "Sorry to tell you J, but Peter says your cocksucking skills are a bit lame." I tried to keep my ego in check. After all, this guy had experience. Isn't that one of the things that made him so awesome? My sis could tell I was a bit devastated, so she made me an offer I couldn't refuse. "Come to Peter's tonight and we'll give you a little show." At first, it seemed a little freaky...even for us, but then I thought, "why not?—it could be sexy!"

I showed up as promised, my stomach doing flip-flops. Everyone seemed a bit nervous, but they wasted no time getting down to action.

Peter was silent throughout (if you don't count his fucking constant moaning). My homegirl did all the talking. She pushed Peter down on to the couch and dropped to her knees in front of him. I sat close with my eyes wide open! She massaged the inside of his thighs through his jeans and made her way up to his bulging crotch. Then, she slowly pulled down his zipper. When she fished his

already seriously swollen cock out of his jockeys, it was bigger and more urgent looking than I'd ever seen it. I could feel myself getting wet just watching. She grabbed the shaft tightly, then turned and looked right into my eyes.

"There are three secrets to giving head: SPIT, SPIT, and SPIT!" I watched as she gathered all the saliva in her mouth and then forcefully spit it all over Peter's big dick. The sight was impressive as her spit splattered all over his thick shaft and rolled off the sides onto his tight stomach. He groaned in approval. She worked it in with her hands, and then inhaled his prick like a sword. I watched in amazement as it disappeared deeper and deeper into her throat. When she slowly pulled her head back, his cock was visibly coated with this thick and slippery saliva.

"That's what they call "porn star" spit, she informed me. It comes from the gag reflex."

Wow! I was learning more than I had guessed! She rubbed that slippery shit all over his shaft and balls as she jerked him off and sucked him at the same time. It didn't take long before his whole body visibly tensed and it was clear he was gonna cum. She pulled her mouth away and jerked him frantically, giving me a bird's-eye view of him unloading his spunk deep into her mouth. She swallowed every drop and Peter looked spent and dazed. The whole scene made me SO horny.

I have a lot to learn!
